As we go forth with our various projects, I expect that problems will arise that I must deal with as President. However, as I stated during the General Membership meeting at Marion, IL, as the transfer of authority was passed from President Podgurski to me, I referred to our great American President of the United States, Harry S. Truman, and his well known famous statement, "The Buck Stops Here." In short, if you have a problem of any kind, bring it to me and I will personally do my best to solve same.

# THE MARION MEETING IN RETROSPECT

By: W. C. Stump

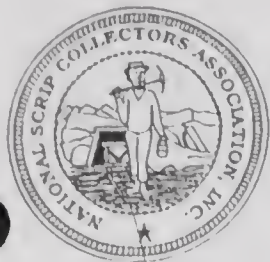

I would like to take this opportunity to comment on the recent NSCA, Inc. meeting held at Marion, IL. I have been attending NSCA meetings for over 10 years and have attended many great meetings. However, this meeting was the best I have ever attended from many standpoints. The organizational plan utilized by Mark and Elesa Ballard, and their assistants, Mr. and Mrs. Don Jones and Mr. and Mrs. R. R. Tippy, was superb. Their plan was so good that I have written special guide lines for organizing NSCA, Inc. meetings based upon the plan and outline developed by Mark and Elesa. In my opinion, if one follows these guidelines, a great meeting will be assured.

The meeting was well attended with over 134 people alone signing up for the door prizes. New and rare items were brought in for sale and for appraisal. A rare Scoby carbide lamp was brought in and after three hours of bidding by numerous collectors, it was sold. Mr. R. R. Tippy had on display three hand crafted lamps from the Late WWII Japanese period. I traded a rare "Baby Wolf" safety lamp and added two rare oil wick lamps to my collection.

Various members also commented on how great the show was from the stand point of attendance and how long the people stayed. Harold "Corkey" Snodgrass, a Past President and Charter Member of the NSCA, Inc., stated that in all the 23 years he has been attending NSCA, Inc. meetings, he had never seen as many visitors in attendance and the show running as long and into the late evening as did this meeting. Fennie Thacker, a member and dealer from Haysi, Va., stated that he had sold and traded more at other NSCA shows, but had never seen the enthusiasm and large number of people attending any show than he observed at this meeting. Tom Shook, a member from Johnstown, PA, said he had been attending shows for over 17 years and thought this was the most well attended of any he had ever seen. Over thirty eight tables were occupied and everyone was more than pleased.

Several members of long standing had never attended an NSAC, Inc. meeting before this one. Three in particular were in awe of the meeting. Lou Emma Erby won an award for her display on Williamson County Coal history. Mr. Ore Vacketta, Westville, IL, and Charter Member Number 31, and Mr. Tom Wall, Independence,, Mo., were very pleased in being able to attend the meeting and meeting many fellow members for the first time.

Seven door prizes were donated by Mr. R. R. Tippy, Charter Member and Past President and Mr. D. Mark Ballard, another former Past President. Three were won by guests who had registered at the door.

### MEMORABILIA SALES AT MARION MEETING TOP ALL RECORDS

NSCA, Inc. Treasurer, Elesa Ballard reports a total of \$726.50 in memorabilia sales for the one day meeting at Marion, IL. The sale of Memorabilia is one of the means the organization has to pay for operating expenses during the year.

Special items are enclosed with this issue of SCRIP TALK at no charge to the members.

### MARION FLOOR AUCTION

By: Elesa Ballard

143 lots were sold at the Marion floor auction, with the floor bidders purchasing a total of \$2,186.50. The mail bidders accounted for a 51 lots, totaling \$1,127.65. The 10% commission added to the treasury was \$327.44. (The old plastic show tokens were sold for \$40.00 also.)

# **NEW MEMORABILIA FOR 1995**

**By: W. C. Stump**

During each year, new memorabilia is produced for the membership. An exciting new item is in the final production stages at this time. It is a \$5.00 NSCA, Inc. token. The token is produced in brass and resembles the tokens used in the days of yesteryear. On the obverse, it has our name around the outer rim with \$5.00 in the center. On the reverse, the token has a \$1.00 Engle-Schierloh Co. logo. The token is the first in a planned series of tokens to be produced during the next two years. A production run of 500 tokens will be produced in this first series. Future series will be produced based upon the response shown for this token. The price for the \$5.00 NSCA, Inc. token is \$5.00. Use your order form to add this great new item to your collection of NSCA, Inc. memorabilia.

## **GOOSE CREEK MINING CO.**

**GARRETT, KY (1089 FLOYD COUNTY)**

**R10 TO R1?**

**By: W. C. Stump**

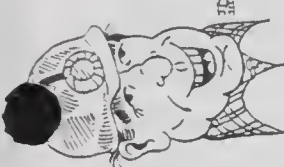

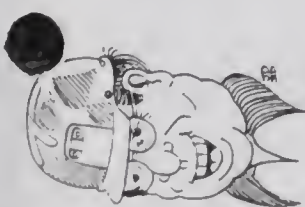

On May 27, 1995, I received a telephone call from Mr. Dave Whisman, Vice-President. Dave called to report a hoard of previously high rated, and very scarce, coal company scrip used by the Goose Creek Coal Mining Co., Garrett, Ky., that had just surfaced. According to his information, over 2,000 tokens, to include 150 complete sets were offered to him by a local flea market dealer. It appears, according to the information made available to Dave, that the old office building for the Goose Creek Mining Co. had been sold and during the process of demolition, the scrip was discovered. Further investigation by Dave revealed that a local coin dealer, located in Ashland, Ky., had purchased 30 sets, and a fellow member from Huntington, WV, had seen, and been offered, 960 tokens, priced at \$2.50 each. In the end, a dealer purchased 2,000 tokens from this hoard.

All the details of this reported find are not available as of this printing, but any further news pertaining to this reported hoard of scrip will be made available in a future issue.

## SPURIOUS TOKEN ALERT

The following was abstracted by Bill Williams from an article by Alan Weinberg in the April 1995 edition of *JAMS JOURNAL*, describing counterfeit tokens. He listed photos of 33 tokens, all from New Mexico except a J&L Steel Vests Div. Power Token. They are Good For Merchandise or Trade from many businesses. Also listed were three coal company pieces. Dies apparently were from genuine pieces and used to cast the spurious pieces. Weinberg says they were so cleverly done that they fooled several knowledgeable collectors.

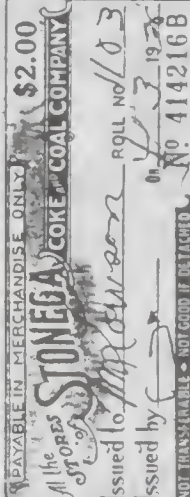

This article will describe only the coal pieces. It, however, must be noted that other coal pieces may be in circulation.

All 33 pieces were cast in Brass, although the original may have been German Silver or Aluminum. All have been sold in 2X2 holders, which disguises the rims. The rims have been squared off, buffed and filed to remove excess metal left in the casting process. Also Weinberg says "There is a noticeable seam partially or completely around the rim of each cast." This was the result of the casting process.

We checked the coal pieces against the file foll and real pieces. THE DIAMOND/COAL/COMPANY/ALLISON/N.M.///Good For/5/-In-/Merchandise. M59 A5 Alum 20 Rd Sd. The word 'In' appears 'In-'on the file foll, so the book listing is an error. The spurious piece was cast in Brass but the real piece is Alum. the book rarely is R8. MADRID SUPPLY CO./1/MADRID N.M.///Orco Pat. Pend. NM739 A1 Br 18 Rd Co. The file foll is marked copper. Edkins noted Copper or Brass on all file folls but showed only brass in his book listings. The cut out is exactly like the file piece. Rarely is R7. We will list these two pieces as XX in the 3rd Edition. J&L STEEL/VESTA/COAL/DIV./CORPORATION///Good For/1/Stick of Powder. PA MX 3b Alum 23 Sq Sd, Schenkman's number J36. Apparently the maker thought this was a New Mex piece. It, however may not be a safe assumption. He may have cast many pieces from another state that have not turned up yet. the real piece is Alum., but the fake is Brass. The file foll shows a difference in the word "POWDER". The fake has all of the letters about evenly spaced. The file foll has the "O" and "W" touching each other at the top, and the "E" and "R" almost touching.

Weinberg states that all of the fake brass tokens have simulated old patina and are minutely and evenly porous. Some have casting bubbles, but most are exceptionally well made casts with sharp details.

We believe the message here is to closely inspect any brass token offered in 2X2 holders, using a good magnifying glass. Look carefully at the rim and be sure to check the metal against the book.

This is a very interesting coal company due to the fact that it has ties to both Kentucky and Virginia. The hitherto state listed in *Edkins Catalogue*, *Second Edition*, is Virginia. The town of record is Imboden, Wise County, Virginia. However, the main mining operation was located off Highway 38 in Harlan County, Kentucky.

The company scrip is rather under rated, in my opinion, as the 1389A50, currently rated R8, is near impossible to locate on today's collector market. This collector is willing to pay \$150.00 for an excellent conditioned token. Call or write if you are willing to part with this elusive A50 token.

"Colley", as his friends know him, is recuperating from an illness of several months that has sidelined with a neurological condition in his knee that left him "flat of his back" for over three months. After a recent three weeks of rehabilitation, "Colley" reports that he is now back on his feet and plans to be back wheeling and dealing come the October NSCA, Inc. meeting. He extends his regrets at not being able to attend the Marion, IL meeting, but plans to see all his friends at Bluefield, WV, in October.**

## **SCRIP STILL IN USE IN THE KENTUCKY COAL FIELDS**

**By: W. C. Stump**

**I know you had second thoughts when you read the title of this article, but it is true. Even though the use of scrip was abandoned in the late 1950's, in 1992, coal company scrip was received in lieu of cash for services rendered. As my last marriage came to an end in early 1992, I was faced with the usual lack of funds that accompany this type of legal action. The most difficult part of a divorce, for me anyway, is paying the attorney fee. Also, anyone marrying a sweet young darling 25 years his junior asks for what I received as I saw her beautiful flowing red hair disappear for the last time as she drove off into the sunset. In the end, all that was left was the memories of the past and the legal bills. In short, "I owed my soul to the company store".**

**The attorney who represented me in this final divorce was none other than my good friend, The Honorable Steve Cawood. With a little negotiation, it was agreed that I could pay off my outstanding legal expenses with coal company scrip. The only stipulation was that the scrip must be rated R-10. In the end, coal company scrip paid off my debt to the "Company Store" owned by The "Honorable One", Steve Cawood, and another unique chapter to the interesting legacy of the use of coal company scrip was added.**

## MINUTES OF EXECUTIVE COMMITTEE MEETING MARION, IL MAY 5, 1995

A REGULAR MEETING of the Executive Committee of N.S.C.A., INC. was held on Friday, May 5, 1995, at the Holiday Inn, Marion, Illinois. Present were the following, constituting a quorum for the transaction of business: President John Podgurski; Vice-Presidents Bill Stump and Jim Thompson; Treasurer Elesa Ballard; Secretary Lois Smith; General Counsel Steve Cawood; and Past-Presidents Mark Ballard, Crawford Blakeman, Harold Snodgrass, R. R. Tippy and Bill Williams. Vice-President Claude Travis arrived later.

After discussion concerning the disposition of old plastic show tokens, a motion was made by Steve Cawood, second by Elesa Ballard and passed by the Executive Committee, to put the tokens on the floor auction.

Discussion was held on future meeting sites, with Mark Ballard and Bill Stump introducing guidelines for hosting a show. The Executive Committee agreed on Bluefield, West Virginia for the Fall 1995 meeting and Pikeville, Kentucky as the site for the Spring 1996 meeting. Also, Harlan, Kentucky was considered for a 1997 25th Anniversary meeting.

President Podgurski opened discussion concerning the minting of a set of N.S.C.A., Inc. scrip, with tokens from 1¢ to \$5.00. Motion made by Jim Thompson, second by Steve Cawood and passed by the Executive Committee, to proceed with the first token.

President Podgurski introduced "N.S.C.A., Inc. Election Guidelines" (copy attached). Discussion was held on guidelines and ways to insure voter privacy. Steve Cawood presented methods known to work for mail ballots. Motion was made by Jim Thompson, second by Lois Smith and passed by the Executive Committee, to accept the proposed guidelines.

Treasurer Elesa Ballard reported that as of May 5, 1995, we have in our checking account a balance of \$6,195.45. The Lifetime Membership account has a balance of \$2,600.00 and the newly opened Book Fund Account (monies transferred from Bill Williams) has a balance of \$11,501.71, of which \$10,000.00 will be put in a six (6) month C.D. at 5.09% interest. All bills received have been paid. Motion to accept Treasurer's report made by Jim Thompson, second by Bill Stump and passed by the Executive Committee.

Secretary Lois Smith reported membership now totals 381 members, with a total of 80 former members not renewing for 1995. New membership applications and membership cards were introduced by Bill Stump. Motion was made by Steve Cawood, second by Bill Stump and passed by the Executive Committee, to accept the Secretary's report.

## MINUTES OF EXECUTIVE COMMITTEE MEETING CONTINUED

Bill Williams reported that Jerry Trantow has everything computerized and copies have been sent out to be reviewed and returned to him. Jim Thompson added that Trantow will solicit corrections or additions ONE MORE TIME for the lumber token catalog. Williams also reported that Volume I of Edkins Catalog has been sent out for review, with most states now returned. Also, there will be a reorganization of the listings but no change in numbering. Also noted was the need to list the Schenkman Explorer Control Token books in Scrip Talk for sale, needing to sell four (4) Collector Editions at \$50.00 each and about 30 other books to break even.

Jim Thompson introduced the idea of souvenir cards for future N.S.C.A. meetings. A motion to explore the idea and costs for souvenir cards was made by Bill Stump, second by Jim Thompson and passed by the Executive Committee and may be available for the Bluefield show.

With no more new business to discuss, motion to adjourn made by Bill Stump second by Lois Smith and passed by the Executive Committee. President Podgurski adjourned the meeting.

## MINUTES OF REGULAR MEETING OF THE MEMBERS OF NSCA, INC. - MAY 6, 1995

A REGULAR MEETING of the members of N.S.C.A., Inc. was held on Saturday, May 6, 1995, at the Holiday Inn, Marion, Illinois, following the membership dinner. President John Podgurski announced the presence of a quorum for the transaction of business.

President Podgurski opened the meeting with a special "thanks" to Elesa and Mark Ballard, R.R. Tippy and all others that worked so hard to make the Marion Show a success.

A moment of silence was observed in memory of deceased members Lester Bernstein, Arthur Frazier, Warren Jarrell, John David Sebo, C.R. "Windy" Walkup and Thomas Hereford and his wife.

Secretary Lois Smith read the minutes of the previous meeting. A total of 58 new members has been signed since last May, with 80 members not renewing for 1995, we had net loss of 22 members. However, four new members were signed at the show and our membership now totals 385. Motion was moved and passed to accept the Secretary's report.

Treasurer Elesa Ballard reported that as of May 5, 1995, we have in our checking account a balance of \$6,195.45. The Lifetime Membership account has a balance of \$2,600.00 and the newly opened Book Fund Account (monies transferred from Bill Williams) has a balance of \$11,501.71, of which \$10,000.00 will be put in a six (6) month C.D. at 5.09% interest.

Claude Travis announced that Bill Stump was the winner of the membership contest, having signed 10 new members. An article in Coin World sparked some interest--"Thanks" to the responsible party.

Bill Williams reported Trantow's lumber token book is still months away. Work is still progressing on the Edkins Revision, with listings alphabetically under the town name, under the company listing the oldest tokens will be listed first. There will be no change in numbering. Every state has been reviewed or is being reviewed.

President Podgurski announced that the Fall 1995 meeting will be held in Bluefield, West Virginia. Harlan Kentucky was discussed at the site for the 1997 25th Anniversary meeting.

Tom Shook presented the Ancil Donohoe Award for the best article published in "Scrip Talk" to Bill Stump for his article "Farewell to a Friend".

Crawford Blakeman presented the Paul Jensen Display Awards with the "People's Choice" being awarded to Mark Ballard; 2nd place to Bill Stump; and 3rd place to Lou Anna Eby, who was attending her first show.

**MINUTES OF REGULAR MEETING OF THE  
MEMBERS OF NSCA, INC. - CONTINUED**

The membership had no new business. President Podgurski informed the members of the Executive Committee's decision to mint a set of scrip (1¢ to \$5.00) and also the idea of souvenir cards for future meetings.

Mark Ballard announced the results of the first democratic election held by N.S.C.A., Inc.: President, Bill Stump; Vice-Presidents, Claude Travis, Jim Thompson and Dave Whisman; Treasurer, Elesa Ballard; Secretary, Lois Smith and General Counsel, Steve Cawood. At this time President Podgurski passed the gavel to President-Elect Bill Stump.

President Stump presented Past-President John Podgurski his award. At this time John thanked all those who helped him through these past two years, presenting Certificates of Appreciation to Mark Ballard, Tom Shook and Bill Williams.

President Stump thanked all for their support. Committee assignments were as follows: Nominating Committee, Mark Ballard (Chairman), Harold Snodgress and Crawford Blakeman; Membership, Lois Smith; Literary, Tom Shook; Displays, John Podgurski; Free Ads, Steve Ratliff; Catalog Committee, Bill Williams (Chairman and New Finds Editor), Steve Ratliff (Special assistant to Chairman on the Edkins Catalog Revision Project - Vol. I.), and Crawford Blakeman; Special Advisors, Mark Ballard, Harold Snodgress, Claude Travis, Jim Thompson and Dave Whisman.

Motion moved and passed to adjourn. Floor auction followed with 143 lots selling for \$3,314.15 and N.S.C.A. netting \$367.44.

## **ALABAMA TOKEN CATALOGUE AVAILABLE SOON**

A late June delivery date was reported recently by the publisher of the hardbound catalogue, Alabama Trade Tokens, by Roy J. Wood. The book will have approximately 300 pages with complete descriptions of the known Alabama tokens. Tokens are listed alphabetically under the town names which also are listed alphabetically. A 10-step scale is used to indicate the rarity of the older tokens.

Catalogues are priced at \$32.00, postpaid. Also, we have a few special books with deluxe binding, numbered copies 20 through 30, still available at \$51.00, postpaid. Everyone who requested one of the special books has been advised of the number, so we ask that you please mention your number when ordering. Also, if you want an autographed copy, please advise when writing or ordering.

Orders will be accepted by check or money order made payable to **Birmingham Public Library**. Send book orders to:

**Dr. Marvin Whiting  
c/o Birmingham Public Library  
2100 Park Place  
Birmingham, AL 35203.**

Please send complete descriptions and rubbings of any unlisted Alabama tokens to the author: **Roy J. Wood, 570 Cove Road, Wilsonville, AL 35186**. These will be published in a supplement to the book at a later date. Also, if you notice any mistakes in the book, send corrections with page and line numbers so that we can make a list and notify others. *Thank you.*

# FULL TIME SCRIP TALK EDITOR AND AUCTION CO-ORDINATOR NEEDED

By: W. C. Stump

In May of 1994, President John J. Podgurski and myself agreed to take over the duties of Interim Auction Co-Ordinator and Interim Editor of *Scrip Talk* until the positions could be filled with full time replacements. President Podgurski resigned his auction position as of the May meeting in Marion, Il. I have agreed to take over his responsibilities in addition to that of the Interim Editor of *Scrip Talk* until these positions can be filled. Thus far, no one has come forward to fill either position.

I would like to request that any member who is willing to take either position to contact me as soon as possible. A computer with a word processor is essential to carrying out the duties that accompany each job. My health is slowly failing due to a bad heart and Diabetes. My Doctor had informed me that I really don't need the stress that accompanies either of these activities.

Another position that I have not filled is that of of Publicly Charman. If anyone would be willing to serve in this position, please contact me. Mr. R. R. Tippy, who has handled this responsibility in the past, has agreed to assist, but because of his age, can't assume full time activity that the position requires.

I would like to take this opportunity to comment on the recent NSCA, Inc. meeting held at Marion, Il. I have been attending NSCA meeting for over 10 years and have attended many great meetings. However, this meeting was the best I have ever attended from many stand points. The organizational plan utilized by Mark and Elesa Ballard, and their assistants, was superb. Their plan was so good that I have written special guide lines for organizing NSCA, Inc. meeting based upon the plan and outline developed by Mark and Elesa. In my opinion, if one follows these guidelines, a great meeting will be assured. For more on the Marion meeting, see the article *Marion Meeting in Retrospect*.

## SPECIAL THANKS

OUR SECRETARY, LOIS SMITH, AND TREASURER, ELESA BALLARD WORK AT OUR MEETINGS WELL AFTER EVERYONE HAS RETIRED FOR THE EVENING TO SEE THAT THE FLOOR BID AUCTION IS COMPLETED. ALO, THEY BOTH ASSIST IN SELLING MEMORABILIA DURING THE MEETING, AND IN SHORT, GO BEYOND THE CALL OF DUTY TO SEE THAT WE HAVE A GREAT TIME AT THE MEETINGS. I FIND TO TAKE THEIR WORK FOR GRANTED SOMETIMES, BUT WANT EVERYONE TO KNOW WHAT A GREAT HELP THEY ARE. SO FROM THE PHANTOM AND I GO OUT A BIG THANK YOU TO LOIS AND ELESA.

# NSCA, INC. 23RD ANNIVERSARY KNIFE MAKES DEBUT AT THE MARION SPRING MEETING

By: W. C. Stump

The first NSCA, Inc. produced commemorative Case knife was introduced at the Marion meeting on May 6, 1995. Only 25 units were produced and all proceeds from the sale of these knives go directly to the Association. Each knife is serial numbered, comes with beautiful rose wood handles with the coal miner, as depicted in our official logo hand engraved into the handle. Both blades are etched with the name of our association and the site of the meeting. The knife comes in an attractive wooden box and a certificate signed by John J. Podgurski, then President of the NSCA, Inc.

NOTE: See the April Issue of *SCRIP TALK*, Volume 22, No. 74, page 7, for a more detailed article on these great collectors knives. You may order your NSCA, Inc. knife by using the NSCA, Inc. Memorabilia order form.

# SCRIP TALK

VOLUME 22 AUGUST, 1995 NUMBER 75

NEW COMPUTER TO BE USED BY "THE PHANTOM"

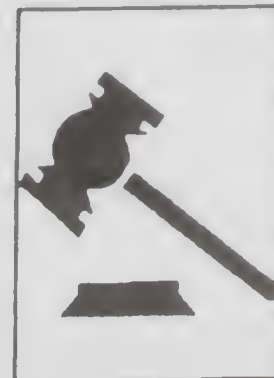

A new look for *Scrip Talk* is to be introduced beginning with the August Issue. The Phantom has brought a new and updated computer system to replace the outdated equipment now in use. He has actually added a special program to correct his spelling and typographical mistakes. He assures everyone if any spelling errors are found, he will resume his former position. However, until The Phantom and yours truly can be educated in its use, we may still have a bit of trouble producing what he assures me as being a high quality newsletter. Only time will tell. Your comments on the new format will be more than welcomed.

W. C. Stump - Editor

## ARTICLES FOR SCRIP TALK NEEDED

Interesting articles concerning scrip, early coal companies, and unusual mine artifacts are needed. Please try to limit each article to two pages or less. Space is limited, but all articles will be published as space permits.

## PHANTOM GRAM

MAIL BID AUCTION 95-4 IS MY FIRST AUCTION. I DON'T HAVE ANY MAGIC TRICKS TO USE LIKE PULLING "SCRIP RABBITS" OUT OF A TOP HAT. I'LL NOT PROMISE ANYTHING I CAN'T DELIVER EITHER. THE ONLY THING I HAVE TO OFFER IS GREAT AUCTION RESULTS WITH THE LOWEST COMMISSION RATE FOUND IN "SCRIPVILLE". I ONLY CHARGE THE CONSIGNOR A SMALL 10% COMMISSION RATHER THAN THE 20% CHARGED BY ALL OUR COMPETITORS. THE NSCA, INC. IS A NON-PROFIT ORGANIZATION AND DON'T NEED TO MAKE A PROFIT AT THE EXPENSE OF OUR MEMBERS. THE 10% COMMISSION CHARGED IS USED TO MEET THE EXPENSES INCURRED. SO WHEN YOU HEAR ME SAY SOMETHING, IT IS THE TRUTH AND I SPEAK NOT WITH A FORKED TONGUE. ALSO, IF I TELL YOU IT IS GOING TO RAIN, GET YOUR UMBRELLA OUT. SO SEND ME YOUR GOOD TOKENS AND MINE ARTIFACTS AND I'LL SEE THAT YOU GET THE MOST FOR YOUR ITEMS. THAT'S A "PHANTOM PROMISE". NOT A LOT OF SMOKE, BOLOGNA, OR HOT AIR. MY MOTTO FOR 1995 IS "TRUST THE PHANTOM IN 95. AND KEEP HAPPY AND OUR HOBBY ALIVE."
